Consistent top sales performer moves into leadership role

Salisbury, Md. – February 5, 2007 – Credit Plus, Inc., a leader in the credit information industry since 1928, announces it has promoted Don Kuttler to Northeast Regional Sales Manager. In his new post, Kuttler will oversee account executives in the Northeastern U.S.

“Don’s dedication and hard work have been valuable assets as one of our Northeast Account Executives. Since he’s joined Credit Plus, each year he has been one of our top two sales people nationwide. We are pleased to recognize his achievements through this promotion,” said Allen Johnson, Vice President of Sales and Marketing for Credit Plus.

As Regional Sales Manager, he is responsible for finding new marketing opportunities and increasing Credit Plus’ client base in the Northeast.
